**Rev. Aug 2019 -** *YR-E16B, YR-E17, QACT17A feature updates.*
**Rev. June 2019 -** *UCT30RWA, WJ26X27153 controllers added.*
**Rev. Feb 2021 -** *Model number & description revisions.*

## Large Cassette Remote
# WJ01X23557

Job Name: _____

Purchaser: _____

Submitted To: _____

Construction: _____

Reference: _____

Approval: _____

Date: _____

Submitted By: _____

Unit: _____

Drawing #: _____

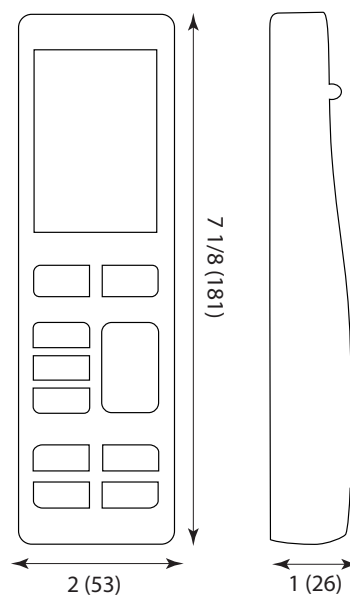

## Features

- 24-Hour Time
- Individual Control
- Backlight
- Up & Down Louver Oscillating Control
- Left & Right Louver Oscillating Control
- Four-Way Cassette Air Supply Control
- Child Lock
- Indoor LED Display On/Off
- Fahrenheit/Celsius Display
- Precise Temperature Control +/- 1F (+/- 0.5C)

## Compatibility

All Haier large cassette indoor units.

## Dimensions in. (mm)

7 1/8 (181)

2 (53)　　1 (26)

Drawing #: _____

### Dimensions in. (mm)

4 3/4 (120)

4 3/4 (120)

3/4 (18)

4 3/4 (120)

3 1/4 (83.3)

4 3/4 (120)

1 3/4 (46)

### Features

- 12V AC Supplied by Indoor PCB
- Control Up to 16 Indoor Units as a Single Zone
- Auto-Cool-Dry-Heat-Fan-Auto Modes
- Precise Temperature Control
- Fan Speed Adjustment
- Turbo
- Quiet
- Airflow Direction - Up Down
- Airflow Direction - Left Right
- Four-Way Cassette Blade Control
- Indoor Temperature Display
- 500 hr Filter Change Reminder
- Clock
- Error Code Reporting/Recording
- Control Lock
- Programmable Operation
  - Weekday/Weekend 4 periods
  - Random times up to 35 periods
- Sleep
- Backlight
- Fahrenheit/Celsius Display
- Temperature Range Limit
- Temperature Compensation
- Static Pressure Setting
- Password

### Compatibility

All Haier Mini-Split, Multi-Split and MRV indoor units.

**Required Adapter**
Non-MRV wall mounted units require the WK-B adapter (Advanced series VHA units require the WK-A adapter).
